

Learn how to edit this template

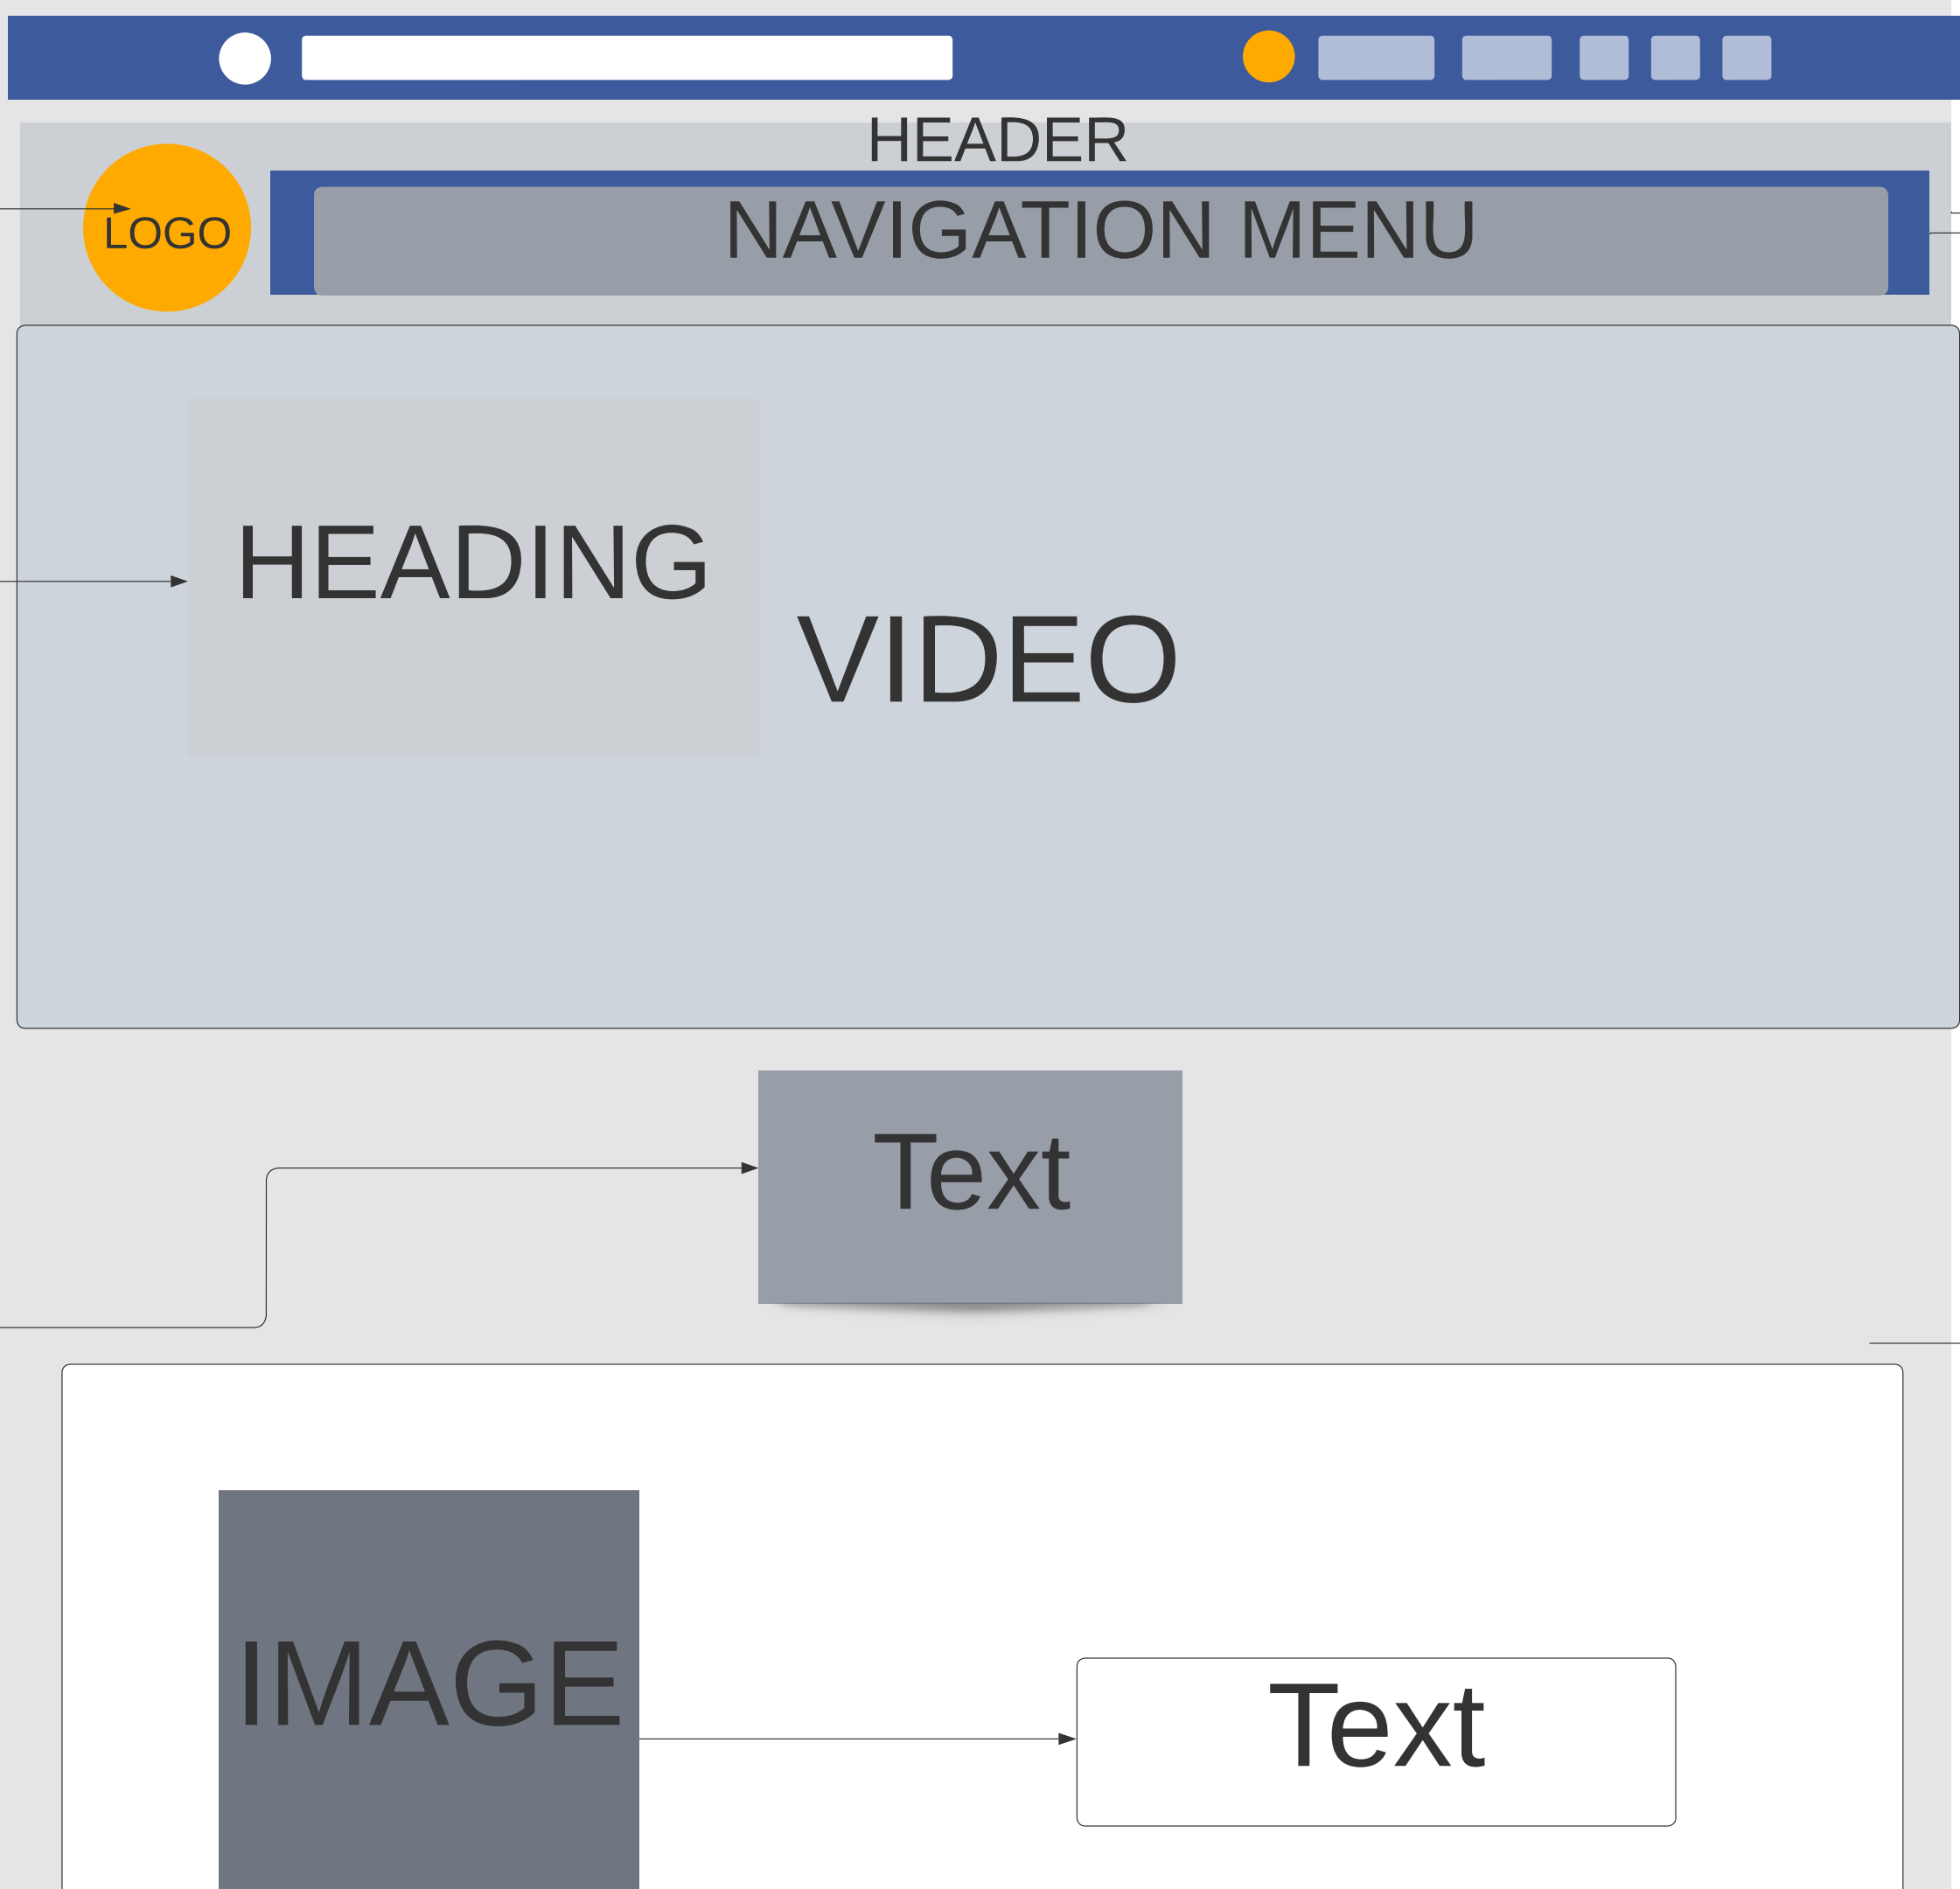

- 1. Add text to a shape by selecting it and typing.
- 2. Add and remove shapes on the canvas.
- 3. Hover over a shape and click on any red circle to add lines.
- 4. To format shapes as you'd like, click on a shape and then click "Shape Options", "Fill Color", and "Line Color" on the properties bar at the top of the canvas.

Pro tip: Search for icons using the search feature in the top left corner of the canvas.
